at the end of the day, it's all about the trip. I don't want to be a student, I want to be a graduate. I want to be a professional. I want to be a leader. I want to be a role model. I want to be a person who makes a difference. I want to be a person who is respected and admired. I want to be a person who is successful. I want to be a person who is happy. I want to be a person who is loved. I want to be a person who is free. I want to be a person who is whole. I want to be a person who is complete. I want to be a person who is at peace. I want to be a person who is at home. I want to be a person who is at last.
