## DEAR PARENTS:

Your child's school is very committed to providing a safe environment for all students. Accidental injuries are such accidents the responsibility of the school or district to pay for the cost of medical bills for your stude er, as a public service your school has purchased a supplemental **KidGuard student accident insurance** policy to provide basic accident coverage and dents while attending school.

**OPTIONAL UPGRADE**: Parents can extend coverage for accidents that may occur while away from an during all vacation periods including the summer months by purchasing the "Extended 24 Hour Protection Plan" for a one time payer website, **schoolinsuranceonline.com** for more information. The schools do not profit from the students. Private and Charter Schools are not eligible for this policy.

## **IMPORTANT NOTES:**
