

MEMORANDUM

TO: School District Superintendents

FROM: Dr. Paul O. Burns
Chancellor of Public Schools

Dr. Kevin O'Farrell
Chancellor, Division of Career and Adult Education

DATE: June 16, 2023

SUBJECT: 2022 Economic Security Report Summary

Florida's Department of Economic Opportunity (DEO) has released their most recent Economic Security Report. The report details the economic outcomes of recent completers from our public postsecondary institutions. Please consider it a useful tool to generate conversations about the potential of the credentials offered by our area technical centers, state colleges and/or universities.

Encouraging families to start college and career conversations early will likely result in higher persistence and success rates. Moreover, section 1002.20(24), Florida Statutes, requires middle and
