**Nicholas Cavic, Grade 4, Deep Creek Elementary**

Nicholas saved the day by staying with the student, alerting his own parents, and his mother was able to pick him up. Thanks Nicholas for being a good friend and classmate.

**Baelee Cowart, Grade 3, Nadia Moritz, Grade 3, and Courtney Pratt, Grade 3**  
and immediately turned the money into the fund.

**Mike Horn, Grade 12, Charlotte Technical College**

Mike is a student in CTC's automotive program and sits in front of the Class room. The challenged student became flustered when asked to read. Mike asked the student if he would feel better if they read it aloud. The student accomplished. Thank you Mike for your compassion.
