Traveling to new places!

Luke is my 3 year old soon to be cub!

Carnivals and fairs!

I believe that art is a outlet for children to express themselves through color and design. Art is a way to reinforce a child's understanding of the world around them and to learn about different cultures and ideas. Art empowers our youth to build self confidence and to make social connections. It is my goal that all of my students will learn to love art and the beauty of the world around them.
