

## About Mrs. Mora

High school in Niles, Michigan

Bachelor's in Biology from Florida State University

Master's in Secondary Education from RWBYBIS, as 1yBîöBF5, DeaW)aW)aW)YK?Pe%à

# Materials

Please have your own pair of headphones that will work with your school issued Chromebook (a standard 3.5mm headphone plug).

I recommend getting a three-ring binder (1 inch) that will be designated just for this class.

Donations of Kleenex, paper towels and Clorox/Lysol wipes are always welcome!!

# Text Book

If you prefer a hard copy of the textbook to use at home, be sure to let the book lady know when she is giving you all of your books.

If you prefer to always use the eText, you can access it on your Classlink homepage through the "HMH ED" icon.

# Stay Informed!

Weekly outlines are posted over the weekend on

# What will we learn this year?

Unit 1: The Nature of Science

Unit 2: Biochemistry

Unit 3: Cell Structure & Function

Unit 4: Photosynthesis & Cellular Respiration

Unit 5: Plant Structure & Function

Unit 6: Mitosis & DNA

Unit 7: Meiosis & Human Reproduction

Unit 8: Mendelian Genetics

Unit 9: Molecular Genetics (Protein Synthesis & Biotechnology)

Unit 10: Evolution

Unit 11: Classification & Taxonomy

Unit 12: Human Systems

Unit 13: Ecology
