

# 7<sup>TH</sup> GRADE REGULAR MATH

## Year At - a - Glance

### SY 2023 - 2024

| August 2023 |    |    |    |    |
|-------------|----|----|----|----|
| M           | T  | W  | Th | F  |
|             |    |    |    |    |
|             |    |    | 10 | 11 |
| 14          | 15 | 16 | 17 |    |

|  |                                                    |
|--|----------------------------------------------------|
|  | Classroom Expectations                             |
|  | Unit 1: Sums and differences of rational numbers   |
|  | Unit 2: Products and quotients of rational numbers |

|  |                                                    |
|--|----------------------------------------------------|
|  | Unit 2: Products and quotients of rational numbers |
|  | Unit 3: Algebraic Expressions                      |

|  |                                    |
|--|------------------------------------|
|  | Unit 4: Equations and inequalities |
|  | Unit 5: Proportional relationships |

|  |                                    |
|--|------------------------------------|
|  | Unit 5: Proportional relationships |
|  | Unit 6: Percents                   |

|  |                  |
|--|------------------|
|  | Unit 6: Percents |
|  | Midterm exams    |
